

Dear Students, It is most unfortunate that the world is going through a war like situation due to COVID19. Prime Minister in his address to the nation on 24 March, 2020 told complete lockdown for next 21 days. We have to simply and just accept and follow for our safety and nation's welfare.

At this juncture, it is our duty to follow the instructions and directives given by the government from time to time. By taking necessary precautions, maintaining social distance and staying at home we definitely combat this Maha Mari . We pray Almighty to give courage and strength to all of us to overcome the situation. Please use your time for your exam presentations. Keep in touch your group and teachers for updates of examinations. Take care and stay safe.
