MENTORING SESSIONS REPORT

CLASS :TY B.COM A

YEAR: 2017-18

Objectives of Mentoring:

- To prepare learners for clearing their regular and ATKT exams.
- To establish a trust relationship between mentor and mentee.
- To identify the weak areas/subjects of learner and helping them to cope up in the same.

One –to –One Mentoring:

Class- in- charge conduct the mentoring session after the lecture hours, for some selected students on the basis of their past performance.

Peer Mentoring:

Principal and Department Coordinator communicates with the class representatives and the Third Year students of B.Com to encourage and prepare them for the coming semester, to identify their problems and to give the possible solutions.

Group Mentoring / Team Mentoring:

Class-in-charge conduct the mentoring session with the class to collect the data about the students' background, their problems and difficulties faced by them in the process of learning. Same is communicated and discussed with Coordinator and Principal to find the solution.

Electronic or E-mentoring:

Whatsapp is used frequently by the class-in-charge to update the students about the lecture schedules, notes, PPTs, information about events, seminars and workshops etc.

Mentoring Activities:

- Result Analysis is done by the respective Class in-charge and accordingly the progress of learners is communicated to them. This helps them understand their areas of improvement.
- In the weak course areas, respective subject teachers are asked to help the mentee.
- Learners are encouraged to participate in various curricular and extracurricular activities organized by various committees of the college.
- Wherever necessary learners are referred to counsellor for help.

- Department organizes intercollegiate competitions, Fresher's Party, Farewell for Third year students wherein the learners get opportunity to showcase their talent and leadership skills.
- Learners are encouraged to enroll for Courses like Tally ERP and GST, Advance Excel etc., organized by various other departments of the college.
- Learners with Learning Disability are asked to be given special attention by the subject teachers and class in charge. Class in charges also interacts with the parents of such learners to identify their problems and do the needful.

Career preparation and Work-based learning experiences:

Learners are encouraged for undertaking internships and workshops organized by Placement Cell of the college.
