Report: 16th National Youth Parliament Competition

Event: 16th National Youth Parliament Competition.

Date: 11th May 2023.

Objectives: To debate and discuss current affairs, social issues of our nation.

Highlight: The volunteer of NSS Unit of S.M.Shetty College of Science, Commerce and Management Studies, Volunteers got introduced to volunteers of different colleges, when we started with the rehearsal we were said to perform what we were prepared with. The debate who all prepared was about one hour long. It was so professional and perfect! Participants were prepared very well! We were then told to repair all the doubts we had and clear them out. Then we were instructed about the actual day and flow was explained. On the actual day of the competition, the reporting time was 8.30 am and the dress code was traditional saree for girls and kurta for boys. We reported on time and again started with rehearsal, the aura in the hall was as accurate as Vidhan Sabha. We were explained the flow and we again started with rehearsal once. After one session of rehearsal we then headed to breakfast. About 10.30am guests and former parliament members arrived, the actual debate, conversation was now started, with banging tables of right decisions our team was on the right side and we passed a bill. After a 58-minute session, the guests.

Corrected and appreciated us about our representation. It was now time to distribute certificates and as we collected certificates, somewhere we felt proud as it was not a small opportunity getting a certificate from former parliament member Sir Bratin Sengupta. All over this opportunity encouraged volunteers and made them more confident to participate in further activities.

Total Number Of Volunteers- 1
