- The Volunteers were guided with the rules and regulation

**Report: Awareness Session On Oral Cancer**

**Event:** Awareness Session on Oral Cancer.

**Date:** 07<sup>th</sup> December, 2023.

**Objectives:** To raise awareness, empower attendees with crucial information, promote proactive oral health practices, and emphasize the importance of early detection.

**Highlight:** The NSS unit of S.M. Shetty College of Science, Commerce and Management Studies, Powai organized an informative session on oral cancer for the students. Dr. Hitesh Singhvi, an oral cancer specialist, shared his comprehensive insights into the complexities of the disease and engaged with the participants through interactive discussions and Q&A sessions. The session was a collaborative effort between the Red Ribbon Club and Fortis Hospital, which showcased a collective commitment to promote oral health within the college community. The main focus of the session was to equip the students with practical knowledge for better oral health practices and lifestyle choices. The education covered vital aspects of oral cancer, emphasizing risk factors, symptoms, prevention, and the importance of early detection for a holistic understanding among the attendees.
