Report: National Integration Camp, Haryana

Event: National Integration Camp, Haryana

Date: 19th July, 2023 to 25th July, 2023.

Objectives: To bring all the different religion culture and linguistic group together into one single nation with a national consequence.

Highlight: The NSS Unit of Bunts Sangha's S.M. Shetty College of Science, Commerce & Management Studies, Powai participated in the National Integration Camp which was conducted at Hisar, Haryana. They reached the campsite around 11:30 a.m. By the time all the other campers from different colleges across Mumbai also happened to reach, they had an amazing lunch, and they were asked to introduce themselves. Once everybody was done, the organizers of the camp decided to form groups. The main motive was cultural enhancing skills. We used to wake up at 6.00 am followed by yoga and exercises. Every day we had a planned timetable to follow. Then we had a recap session of the day, where each volunteer was requested to share his or her experiences, opinions, leanings, suggestions for the committee, etc. Every morning, they followed the schedule of breathing meditation, yoga, body relaxing sessions, and laughter sessions, which was amazing. Registration and Document verification were done on the first day. The inaugural function was followed simultaneously. After lunch, we used to have activities and interaction among volunteers. In the evening, a Cultural Presentation was held. The very next morning as the day started, followed by Yoga and breakfast, a Motivational Session took place, followed by cultural events. Solo Singing and Poster-making was also done on the second day. Activities used to take place in between the days and Social work along with Tree plantation and much more. The last day was very productive as compared to other days. On the last day, we had a session and a Cultural program. This Camp was an opportunity for all of us to express our feelings of gratitude towards each other. After that, we had a group photo session, and then we finally left for Mumbai.
