Report: Reel-Making Competition on HIV/AIDS Awareness

Event: Reel Making Competition on HIV/AIDS Awareness

Date: 07-08-2023 to 10-08-2023

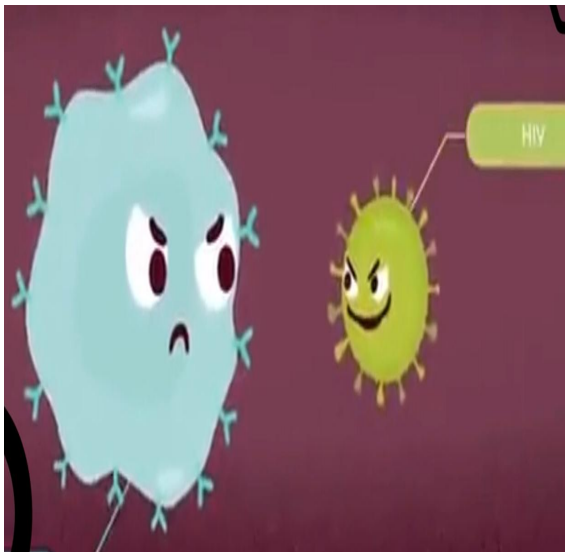

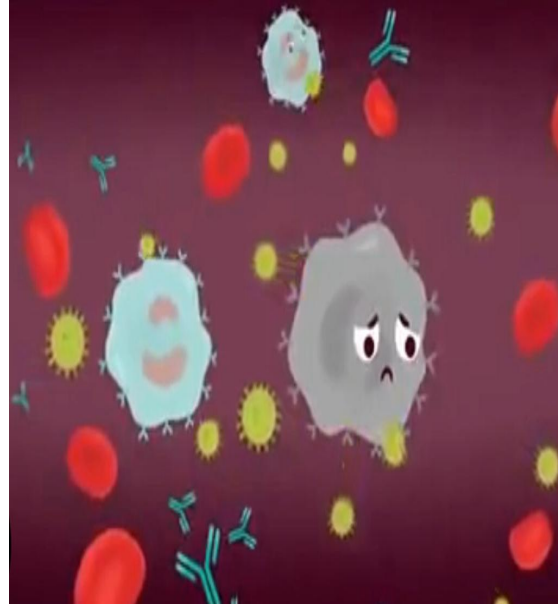

Objectives: To use filmmaking to raise awareness, reduce stigma, and inspire action in the fight against HIV/AIDS.

Highlight: The NSS Unit of Bunts Sangha's S. M. Shetty College of Science, Commerce and Management Studies, Powai Conducted a Reel-Making Competition on HIV/AIDS Awareness. Volunteers were told to create their short reels of less than 1 minute for which Volunteers first wrote a script for the reel. Reels were either done solo or in a group of 3-4 people which was really exciting for us. With countless trials and errors volunteers were able to create enthusiastic Reels that would ignite the flames in the hearts of the common citizens and help them look toward the victims of HIV Aids from a different perspective.
