INDUSTRIAL VISIT 2017-18

ACTION TAKEN REPORT

BSc.IT department visited Aurangabad for Industrial Visit during the year 2017-18. Students appreciated the Food, Location, Site Seeing, Travelling, Accommodation positively. There was average response for industry visit and there was just a seminar from the company without any hands-on session. College has taken serious action by discontinuing the tour operator for the next year. College is also taking care of the industries which can help the students to understand the actual practical implementation in the IT industry.
