Report:-

“Talent can't be taught, but it can be awakened.” – Wallace Stegner

We, The Cultural Committee at Bunts Sangha's S.M Shetty College of Science, Commerce and Management Studies, Powai decided to look at this global pandemic as a possible digital revolution.

We host a talent hunt every year, an intra-collegiate fest, which provides a safe space for all our fellow batchmates to showcase their talents.

This year might have started differently, but we have accepted the new normal, and wasted no time in coming up with the first digital Talent Hunt: **Talent Hunt 2.0.**

We had a staggering 680 participation entries this year, each one showing us a glimpse of their wonderful hidden talents. The organizing team walked on many undiscovered paths, as they strived to conduct everything whilst sitting at their homes.

Needless to say, all their efforts paid off as they put up an entertaining show for everyone present!

13 events were conducted in a span of 10 days, from 21st to 31st October, 2020 which proved to be quite a challenge of its own, but our team was always ready for it.

The events ranged from performing arts, fine arts, live events and gaming events. It proved to be a memory of a lifetime as we got to experience the adrenaline of participating in the fest, right from our homes.

Our Cultural Coordinator, Prof. Steffi Salve, led the team as she always has, and her wisdom proved fruitful in the graceful and smooth execution of the event. This lockdown is truly a unique period in our lives, but instead of looking at it as something that holds us back, let's look at it as something that is pushing us to pursue other revolutionary routes.

We have thoroughly enjoyed ourselves working on this event, and we hope the participants did too.

We'll take your leave but we promise to be back soon, bringing all the cultural goodness of your college years, right to your computer screen!
