ENERGY CONSERVATION POLICY

OBJECTIVE

The institution has framed the policy for accomplishing the following objectives:

- To create awareness among the students and staff members about the techniques of reducing energy consumption
- To use alternative energy sources for environmental sustainability
- To educate the students and staff members on methods of saving by minimizing use of electricity
- To avoid wastage of energy

Bunts Sangha's S.M. Shetty College of Science, Commerce and Management Studies has sustainable environmental and energy consumption practices. The campus has taken initiatives to minimize the use of electricity and is also using alternate energy source. Few highlights of our initiatives are:

- Entire campus uses LED lights
- Solar panel is installed as an alternative energy source
- Students and staff members are educated on stopping wastage of energy by placing posters near switches

To accomplish the objectives, the institution has following policies:

LIGHTS:

- The institution uses only LED bulbs for illuminating the facility
- The switches are appropriately allocated to lights so that there is no unnecessary light being used
- The students and staff members are instructed to switch off the lights before leaving the room.
- Every room has provision of natural light to minimize use of electric bulb

AIR CONDITIONERS & FANS:

- Each classroom is having fans installed so as to cover entire room.
- Air conditioners can be used only if there are considerable number of students and staff members are using the room
- ACs are switched on by the security guard so that its usage can be monitored

MAINTENANCE:

- A dedicated team of maintenance staff for electrical equipment's and fittings has been appointed under the central administration of the institution.
- For any complain or service requirements, the staff members can mail to adminhelpdesk@smshettyinstitute.org

Hence, the institution aspires to minimize carbon footprint by reducing the usage of energy and using alternative sources of energy.
