**REPORT ON INDUSTRIAL VISIT**

## DEPARTMENT OF MANAGEMENT STUDIES

The Department of Management Studies organized an Industrial Visit for the FY, SY and TY students of BAF & BBI from **14<sup>th</sup> March – 19<sup>th</sup> March, 2023 to Udaipur – Chittorgarh - kumbhalgarh.**

**The total number of students were 44** accompanied by **2 Professors** – Ms.Komal Tiwari, Mr. Chirag Chandan.

The tour began on 14<sup>th</sup> March 2023, all the students assembled at Bandra Terminus to board train to Udaipur, reached Udaipur on 15<sup>th</sup> March 2023. After breakfast proceeded towards hotel by bus. Students enjoyed Amargrah Resort property for the day.

On third day “Chittorgarh Historic fort” and successively “Kumbhalgarh” the impressive historic fort in the state of Rajasthan during the journey. The trip included several activities focusing on the history, art, traditional music and dance forms of Rajasthan.

Fourth day started with the industrial visit at ‘SARAS UDAIPUR DAIRY FARM’ at Udaipur the entire manufacturing process was explained to the students with interactive session of learning with process team of dairy farm. Students visited “Udaipur” the scenic city of lakes, Visit Jagdish Temple, Bhartiya Lok Kala Museum, an interesting collection of musical instruments, paintings in the City Palace Mahal. After industrial visit proceeded to hotel for lunch and then proceeded to market for shopping.

On Fifth day we proceeded towards Kumbhalgarh. It was inspiring to walk along the massive walls of Kumbhalgarh fort, which are the second longest in Asia and listen to the heroic tales of the kings of Mewar who fought valiantly against the Mughals and the British. When we visited Haldighati, the site of the actual battle, the next day, history seemed to come to life. At the Chaitri rose fields, the scene of the epic battle between Maharana Pratap and the Mughal forces, one student made an interesting observation: He said that it was ironic that the battlefield which is called “Rakt Talai” or the pond of blood should now be the place where of thousands of roses of a rare species should bloom; thereafter boarded train for Bandra Terminus, we reached Mumbai at 7.30 am and went home safely with lots of memories to be cherished.

## **OUTCOME**

The Industrial Visit helped us to bridge the gap between academics and industry. Students could witness live work of two manufacturing company – SARAS UDAIPUR DAIRY FARM'. Students were explained the entire process of manufacturing of dairy products and its diversification with their By-Products sale.

During industrial visit the production manager of the Dairy Farm explained students the success and growth story of the company. Students were explained the manufacturing process cost and Financials of the entire process. Students gained firsthand information about the manufacturing process right from raw materials, machine handling, quality check, testing of final product.

Fun and enjoyable journey with all
Amazing Work by both teacher incharges
No
train meals should have been good! n tents were not at all clean
The duration of IV should increase and also the bus traveling was too much
Loved the overall IV
Overall the trip was great but there were few restrictions.
The food provided in train was not at all good. Sour taste all the packages were thrown in the dustbin as it is
Memorable trip
Train food could have been better
