Report

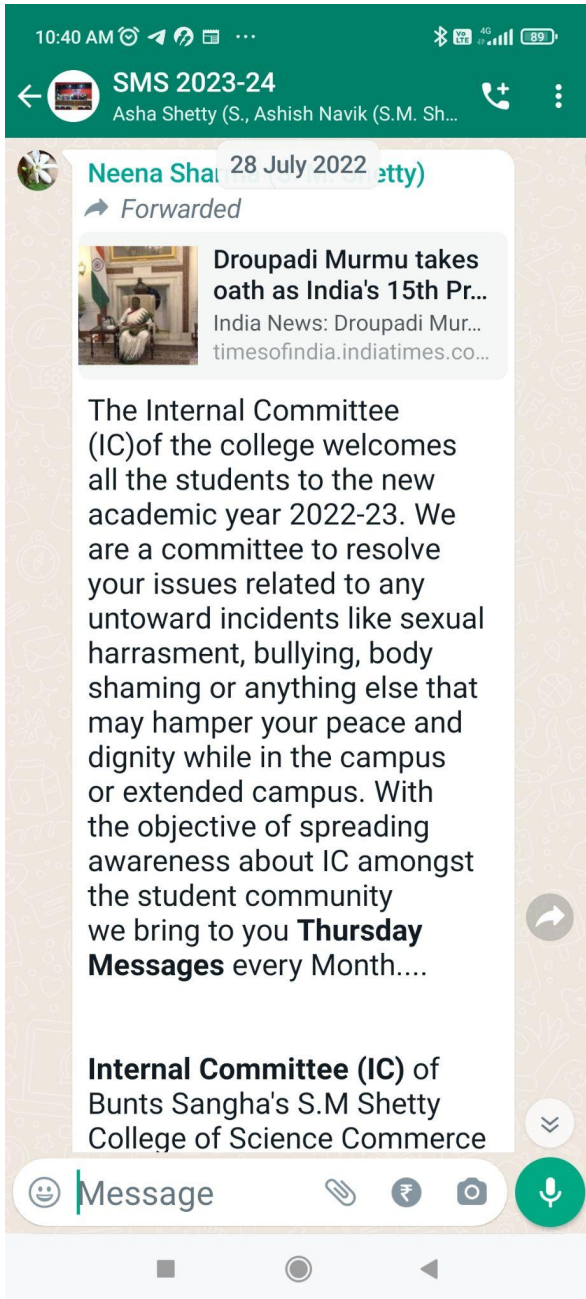

Purpose / Objective: To promote IC amongst the student community.

The Internal Committee (I.C.) of the college continued with the activity 'Thursday Messages' this year too to promote IC amongst the students of the college. This year the 'Thursday Messages' were sent once every month. Messages selected were the latest news related to women empowerment, gender equality, etc. The messages were framed in the form of Whatsapp messages and circulated amongst the students as well as in the teacher's groups. The messages also had the details of the IC, where they can contact in case of any complaints.
