Chief Guest: Advocate Vivek Bhusa

Inauguration Details

The lighting of the lamp ceremony was held as part of the inauguration of the moot court competition. The ceremony began with a brief explanation of its significance and how it is traditionally performed in Indian culture. The lamp, which symbolizes knowledge and wisdom, was lit by the Principal Dr.Sridhara Shetty , Prof.Sahana Raviprasad, and the other faculty members of the competition.

Opening Remarks: Principal Sir made opening remarks about the importance of the Legal system in our country and also shared some significant wisdom for participants. The ceremony was well-received by the

participants and the audience, and it added a unique and memorable touch to the inauguration of the moot court competition.

Objective

The objective of a moot court competition was to simulate a real court proceeding, allowing students to practice and improve their oral and written advocacy skills. During a moot court competition, teams of students present arguments before a panel of judges, who act as if they were presiding over an actual court case. The teams are typically given a set of facts and legal issues to analyze and argue, and they are expected to prepare written briefs and make oral arguments that address the legal questions presented.

Moot court competitions provided students with valuable experience in legal research, writing, and oral advocacy. By participating in a moot court competition, students were able to hone their legal reasoning and analytical skills, as well as their ability to present complex legal arguments in a clear and persuasive manner. Moot court competitions also offered students the opportunity to network with other students from different departments and colleges.

Experience of from P.O.V of a student

Participating in a moot court competition can be a challenging but rewarding experience for students. Students were typically given a complex legal problem to solve, and were required to conduct extensive legal research in order to prepare a written brief and oral argument. This process was time-consuming and demanding, but it also provided students with an opportunity to develop our legal research and writing skills.

Overall, participating in a moot court competition was a challenging but rewarding experience for us, and it can help prepare us for any career that requires effective and convincing communication.
