## **WRITE UP**

### **BUNTS SANGHA'S S.M. SHETTY COLLEGE OF SCIENCE, COMMERCE AND MANAGEMENT STUDIES**

#### **THE PTQM FIELD TRIP**

The Department of Management Studies in collaboration with Dr. Rinkesh Chheda (subject in charge) organize one-day trip for the students of SYBMS for the course of Production and Total Quality Management (PTQM) every year.

As the subject has concepts related to production and quality control processes undertaken by manufacturing units, the students are taken to large manufacturing units for experiential learning.

This year we are planning to take the students in the month of February.

## BMS Department

### Report on one day educational visit to Silvassa by SYBMS students

**Date:** Monday, 21<sup>st</sup> March 2023

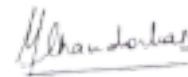

The second-year students of BMS Department of Bunts Sangha's S.M. Shetty College of Science, Commerce and Management Studies, Mumbai organized a one-day Educational Visit to Silvassa covering two large scale manufacturing units of which were Sterling Generators Pvt. Ltd. and Alok Industries Ltd. on 21<sup>st</sup> March 2023 to get the overall hands-on practical exposure for the subject Production and Total Quality Management.

The bus left the college premises by 6.30 am on the way to Silvassa. A halt for breakfast was taken at a food outlet on the Mumbai-Gujarat National Highway. Sterling Generators Pvt Ltd. was the first company of visit, the chief health and safety officer of the company guided us with the Do's and Don'ts while visiting the company premises. We all were given helmets for safety and proper care was taken. After the visit we assembled in the training room where the company officers answered all our questions. We found it delighted to get the answers of our questions.

After the visit we took our lunch break at around 1.00 pm at Hotel Hill Heritage. We had a great lunch over there and rested for 30 mins. The second industry that we visited was Alok Textile by 3.00 pm in the afternoon. The HR manager welcomed us at the company and gave us certain instructions. A brief visit towards the mill was done by all of us where the students spent almost two hours understanding the complete operations process of the production right from raw material to finished goods process, big brands like John player, Buffallo, Jockey was handled by the company which was the eye-catching insights for the students. The complete process was amazing and we learnt a lot. Leaving the company by 5.30 pm we all headed towards breathing some fresh air at Nakshatra Garden by 6.00pm and had a quality time with all our batch mates and strengthened our bond. After spending over an hour, we started our journey back to the base, giving a halt at food outlet for snacks and to get freshen up and by around 11.30 pm we all were back home after a long tiring and memorable trip.
