Report: District Level Quiz Competition at Thakur College

Event District Level Quiz Competition at Thakur College

Date: 2nd December, 2022.

Objectives: To attempt the quiz and get more knowledge about the hiv/aids.

Highlight: The NSS Unit Of Bunts Sangha's S.M. Shetty College Of Science, Commerce And Management Studies has attended a District Level Quiz competition at Thakur College. They gave us a paper where there were thirty questions and we had to discuss those questions with our partner. We need to complete all those questions in thirty minutes. After completing the quiz they took ten minutes for the result. After ten minutes they declared the results of who qualified for the second round. For the second round they gave us a particular topic related to HIV/AIDS. They gave us five minutes for the discussion of that topic with our partner. On that topic we need to speak at least for three minutes on that topic. After completing the second round they said before announcing the results they gave us a little break for the food. After the break we went to class and sometimes they announced the result. The winner has been prompted with the certificate and the participants will receive an E certificate. After we were done with the results we took pictures of all the volunteers. With that the competition went well.
