<u>Student Enrichment Activity Proposal 2022 - 23</u>

Department: Department of Information Technology

Program: Contribution of Parents to Quality Enhancement

Objectives:

1. To provide guidance to students on a number of topics beyond the course for their holistic development
2. To increase the interaction of parents with the institution
3. To motivate parents to contribute towards the quality enhancement of the institute

Need: Parents being one of the stakeholders of the institute can contribute to quality enhancement by taking up sessions for students on varied topics of their expertise thereby giving students an opportunity to enhance their knowledge and bridging the gap between industry and academia

Content: The Parents or guardians or siblings or any other relative of the students in BScIT will conduct sessions on varied topics of their expertise.

Schedule: Total sessions - 5 (1 session per week).

Proposed by: Dipti Parab

    Duration: One hour

    Verified by: Dr. Sridhara Shetty – Principal -

Report

Event - Hands-on Workshop on "Art and Designing" by Gajanan Kabade parent of B.Sc.I.T. student Saartha Kabade

Date - 10th February, 2023
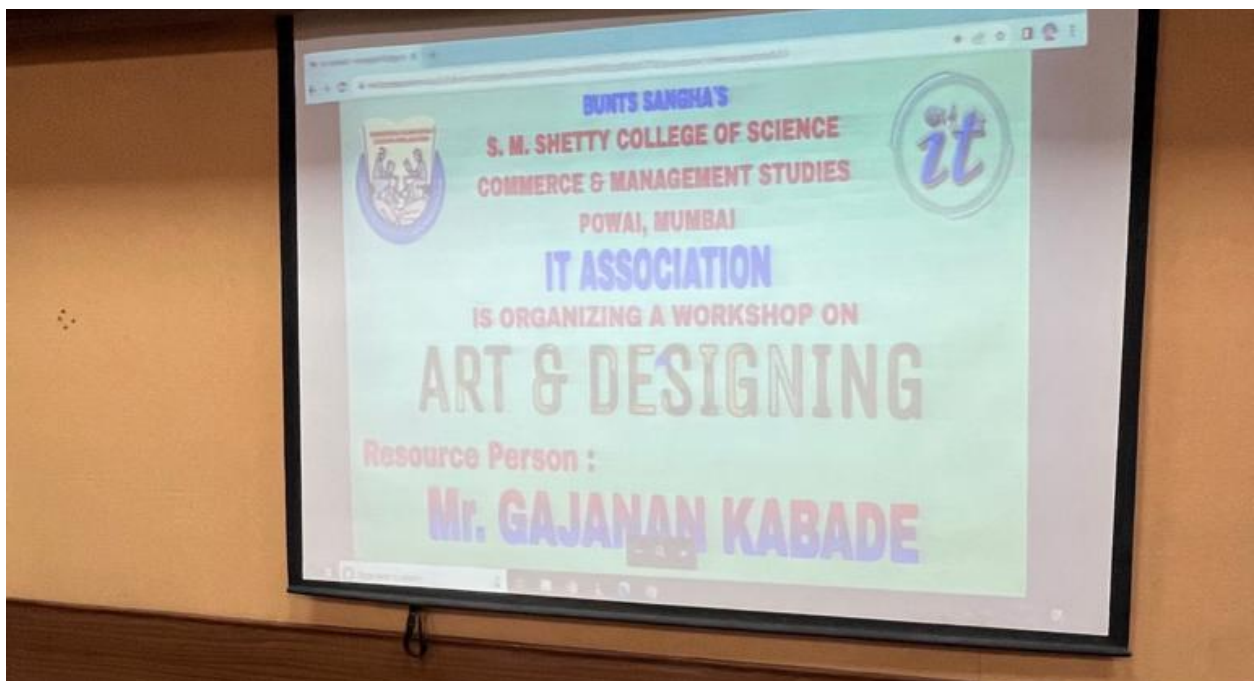

Timings - 12 to 1.30 pm

Venue - AV Room

Objective - To bridge gap between industry and academia

Highlights - IT Association of Department of Information Technology organized a hands-on workshop on "Art and Designing" by Gajanan Kabade who is also a parent of B.Sc.IT student Saartha Kabade. The session began with an introduction to designing. Sir asked students to crumble a paper and to find various patterns in it. Students enjoyed the session wherein they could find their hidden talent. The session concluded with an activity where students were asked to write their name using various patterns. The key to the session was to make students think out of the box. 86 students of BScIT and Data Science attended the session
