Date: 20th Dec 2022

THANK YOU

Respected Dr. Sridhara Shetty,

Greetings from Marrow Donor Registry India. At the outset we the people of MDRI would like to thank you and your esteemed **'Bunts Sangha's S.M. Shetty College of Science, Comm. & Management Studies'** for the unconditional and immense support towards this noble cause of saving lives. It was a pleasure for us to see the staff and students of your college come forward to register altruistically and give their Saliva sample to donate their Stem Cells for a needy patient at the time of requirement.

Please accept our sincere thanks for the excellent support provided by you and your student volunteers in organizing and hosting our MDRI drive on the 13th Dec 2022. We wouldn't have been able to experience this overwhelming response from your students if it wasn't for your leadership and kindness towards this cause.

I would like to specially thank Prof. Dr. Vijay Vishwakarma who took a keen interest in holding this camp. He was very instrumental in arranging the camp with total perfection. I also thank the Student Volunteers team who led this event with total sovereignty and diligence. My special thanks to all the volunteers who stood by us and handled the event with thoroughness.

Last but not the least we thank your students who came forward as lifesaving donors for the needy patients around the world. We registered **360 donors**.

Words cannot adequately express the gratitude that I and the MDRI Team wish to convey to you. Please know that your leadership is recognized, appreciated, valued and cherished. We thank you and look forward to continuing to work with you again in the future.

Keep up the good work.

Kind Regards

Dr. Praveen Clement
