Action Taken Report: Theme Week

The Students' Council organized the theme week which was characterized by having differently themed days everyday, and students were to dress up according to the themes and participate in ramp walks. We had a team of anchors hosting the event and a panel of judges to assess the ramp walks.

We received a huge number of participants, and the event met with positive feedback, with students showing enthusiasm in dressing up everyday and performing. Such an overwhelming response resulted in everyone unanimously deciding to keep the theme week next year too, with the students wanting to perform even better the following year.
