## A CLEAN PLACE IS A SAFE PLACE

2018-09-25 | Alisha Crasto

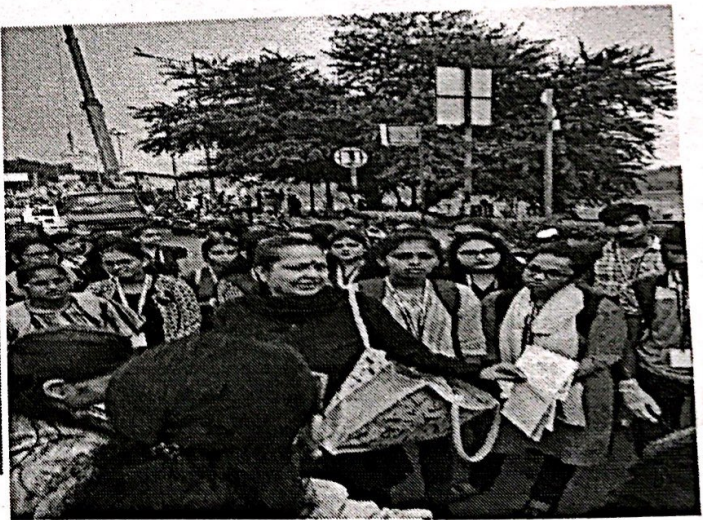

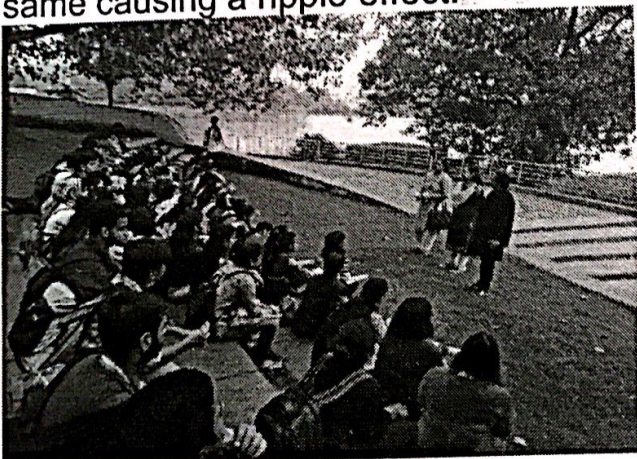

"Cleanliness is next to godliness", as said by Mahatma Gandhi, has been chanted and followed for years to come. The auspicious festival of Ganesh Chaturthi is one of the most widely celebrated festival in India. Keeping this into view, it can sometimes be a huge task to maintain the sanity of the surrounding.

To fulfil their responsibilities as young citizens of the country, a cleanliness drive was held on Monday, 24th September 2018, at 7:30 am near the Powai Lake premises by the students of Bunts Sangha's S.M. Shetty College of Science, Commerce & Management Studies, Powai.

The students of Department of Lifelong Learning and Extension of the college along with the teacher incharges Prof. Pooja Pandey, Prof. Sujata Rizal and Prof. Swati Shetty undertook various cleaning activities at the lake with the help of Ms. Elsie Gabriel. Elsie Gabriel is an active environmentalist and also the editor of the local newspaper 'Planet Powai'.

A total of 73 students from the Department of Lifelong Learning and Extension as well as from the National Service Scheme participated in this drive.

If you throw a stone in water, it causes ripples. Hence doing one small deed can motivate others to do the same causing a ripple effect.

## **Action Taken Report on Climate Change & Biodiversity Session (2018-19)**

This session was taken by Mrs. Elsie Gabriel, head of Young Environmentalist, an NGO that cares for the environment. This session was attended by all students of the DLLE.

As we received a very positive feedback about the session, we have planned to keep more such events that make us aware about the problems our environment is facing. We plan to keep nature walks and tree plantation drives in the near future.
