Action Taken Report on Poetry Writing (2020-21)

The competition had healthy participation numbers. Participants came from various colleges.

The submissions were taken from Google Form and then sent to the judges for selecting the best ones. In a time of a virtual environment, the even managed to function smoothly without any hurdles and participants gave a very positive feedback when it came to the organization of this event. Till the lockdown exists, events like these will be held in the same manner.
