**REPORT ON INDUSTRIAL VISIT**  
**DEPARTMENT OF MANAGEMENT STUDIES**

The Department of Management Studies organized an Industrial Visit for the FY, SY and TY students of B.M.S. from **24 - 29 January, 2020 to Udaipur-Chittorgarh and Mount Abu.**

**The total number of students were 66** accompanied by **3 Professors** – Ms. Nidhi Chandorkar, Mr. Ashish Navik and Adv. Hamid Khan. Two buses left from College premises at 8:00 AM on 24<sup>th</sup> January to reach Vasai station and then board the train to reach the predetermined destination – Udaipur, Rajasthan. On reaching the destination on 25/01/2020, everyone checked in the hotel and then left for Animal Aid Unlimited, NGO and Shilp Gram. The visit to Animal Aid Unlimited, NGO , was an eye opener for all. Everyone learned the importance of animal life while at ShilpGram, students learned the importance of Self Help Group.

On the third day, 26<sup>th</sup> January, 2020 all the professors in charge and students participated in flag hoisting at the accommodated hotel and then left for sightseeing at Chittorgarh Fort.

Fourth day started with the industrial visit at **Taanj Quartz (Pacific Industries Ltd.)** The industry was engaged in producing artificial stone. The group of 66 students was divided in 3 groups with one professor in charge for each group. All the groups were shown different parts of the factory, manufacturing process, safety measures and a small session with the manager and the owner of the industry. Students were allowed to ask questions regarding the manufacturing, pros-cons of artificial stone, area of market etc and all the queries were answered by the owner and the manager of the factory. The whole visit was an enriching experience for all.

Day 5 started with sightseeing at Mt. Abu then boarded the train at 9 pm and reached Bandra Terminus, Mumbai at 8 am and went home safely with lots of memories to be cherished.

Head of Department  
Department of Management Studies

Coordinator

## OUTCOME

The Industrial Visit helped us to bridge the gap between academics and industry. Students could witness live work of a manufacturing company - **Taanj Quartz (Pacific Industries Ltd.)** a company engaged in manufacturing marbles. Students were shown different parts of the factory, manufacturing process, safety measures and a small session with the manager and the owner of the industry. Students were allowed to ask questions regarding the manufacturing, pros-cons of artificial stone, area of market etc and all the queries were answered by the owner and the manager of the factory. The whole visit was an enriching experience.

Rate on 5 point scale your level of satisfaction based on following criteria ( 1 being the lowest and 5 highest)

FEEDBACK RECEIVED	ACTION TAKEN
IV should be for At Least 7-8 days to actually learn and experience everything. Please take care of the trains further. IV should be for longer period of time please.	The suggestion has been taken into consideration and will try to increase the number of days.

<p>It could have been even better if the train services were good. Plz make sure that next time the return journey should be proper the train should be proper and food should be of good quality</p>	<p>Food Service was rectified on the spot. Selection of better train will be considered in next trips.</p>
<p>Was the best trip till now. Everything has been improved from the last IV trip.</p>	<p>Positive feedback received as compared to last year's feedback, result of last year's action taken.</p>
