Objective & Report- Recycling of Garbage

Objective-

- To teach the youth the importance of recycling.
- To make the best the waste.

Report-The NSS Unit of S.M Shetty College of Science, Commerce and Management studies organised a seminar on 3rd August, 2017. Which was conducted by guest of honour, Kejal Sawla on the topic 'Recycling Of Garbage' in room no. 804 at 11:30 am there were 40 volunteers in the seminar. The seminar started with an activity of claps and then everyone was introduced about them and to express there feelings in one word. In the other activity a situation was given to the volunteers that form the last 2 days no garbage had been picked up from the areas. The volunteers were divided into three groups. i.e BMC, Political and Citizens. Later any 2 people from each groups were selected to represent there group. They selected people were having a debate on the given situation and end up with no solution finally we got to know that what exactly happens in reality is the same. At the end of the seminar kejal sawla maam addressed that it is not only responsibility of the BMC but it also our responsibility towards cleanliness and also to inform BMC about problem related to the city. This is how the seminar came to an end.
