Objective & Report– Blood Donation Camp

Objective: The aim is to raise global awareness of the need for safe blood and blood products for transfusion and of the critical contribution voluntary, unpaid blood donors make to national health systems

Report: The NSS unit of Bunts Sangha's S. M. Shetty College of Science Commerce & Management Studies, Powai conducts the Blood Donation Camp every year to share the need and importance of the blood in the life of an individual. This year it was in collaboration with J. J. Mahanagar and J. J. Hospital Blood Bank conducted the Blood Donation Camp on 29th of September, 2018 from 8am to 4pm in the college auditorium. The camp was inaugurated by CA Shankar Shetty & Mr. B.R. Shetty along with our Principal Dr. Sridhara Shetty & Vice principal ma'am Dr. Liji Santosh and doctors and officials from the hospital. All the NSS volunteers actively participated in the event and also successfully volunteered the camp. Officials and doctors have given their positive support throughout the event. A total 235 units of blood were collected after the camp. There was also Thalassemia checkup conducted by the hospital. Many girls and boys aren't aware about what thalassemia is and are they thalassemia patient or not. So this checkup also helps them to know about their own body. After each donor donated blood they were given a donor card as well as donor certificate. The donor card helps the donor to avail blood in case of emergency even for their family. This card is valid for a period of two years. In conclusion, this event was a huge success with the contribution of every single person who was a part of this camp in some or the other way "To the Young and healthy it's not a loss, to sick it's a hope of life. Donate Blood for a life." Total Volunteers participated
