Contraceptives - The world-changing aid

-Shreyas Sudip Mitra

More than a billion people worldwide require planning. And nearly 400 million need access to proper contraception. At a time when the world is supposed to make significant progress, people are still lost in the world of stigma and misconception.

Only half of the need for family planning has been met. Whereas the rest of the people have been neglected and left to deal with despair. Although nations might be trying to improve the situation, the correct solution is way beyond reach.

Contraceptive access is a fundamental right for all human beings. But sometimes, it is being treated as a privilege. The international community needs to understand its importance, and pull back people from the cliff's edge.

In situations where unwanted pregnancy runs pose as a family. Contraceptive aid is something that helps the cause. We need to change people's mentality and show them the right direction. To make sure that reproductive rights don't remain like a ghost.

The world needs to change; it needs to adapt. It is clear to the need of all people to have any discrimination. Only when everyone's rights and needs are met, will the world move towards a sustainable and better position.

Khoob banaaya hai kudrat ko khuda ne, ye jameen, havaa ye aasman, rom rom ka ye paryavaaran. Bada achha lagta hai: Jeena, marna, khasana, pina juda hai akhand paryavaaran se. Kuj jaha ka ye saaj nihaara. Bada achha lagta hai.

Tapna suraj ka khule registaan me, kaale baadalo se varsha ka aana, yaa ho thand us baar! me
Kooch hum reh paaye is paryavaaran ke niyam me. Ab farz hai humara, aao paryavaaran sawaare hum.

Sarvato disha ke nirmal paryavaaran ko kare fir sugandhit hum, deta jo ye sheetalta hume, bane iske rightedar hum.
Hruday se iske sambhaal leke, iske hruday ko fir mehkaaye hum. Ab farj hai humara, aao paryavaaran sawaare hum.
