Report: Waste Management Seminar at University

Event: Seminar on Waste Management

Date: 4th February, 2023

Objectives: Main objective of waste management is to minimize the production of waste, reduce the pollution effect, and protect groundwater sources and ensure sustainability.

Highlight: The NSS Unit of Bunts Sangha's S M Shetty College of Science, commerce and management studies, Powai has attended a seminar at Saki Vihar on the topic of waste management. The seminar started at 10 am. Volunteers were reached on time and the session started on 10.30 am. They explain about how to recycle the plastic, e-waste how to segregated the thing how we Implementing solutions on day to day basis (Reduce - Reuse - Recycle) then in Mumbai 35 thousand of people are working in cleaning the Mumbai he has also told that the 6000 tons of garbage is generated everyday also explain about the Dry waste and Wet waste like paper, metal, glass, plastic market, commercial kitchen, animal and many more also explain about the Hazardous Waste like e-waste, sanitary, bio-medical, industrial, electrical, batteries, construction, etc. They also said that there are different types of plastic and some of them are not decomposable. Some of the plastics are decompose able but they take a lot of time to decompose. Therefore, they recycle plastic and use that plastic in different products like road making and different materials etc.
