“IoT Project 1.0”

Objectives: To explore IoT projects.

This event was organised to make students aware about **IoT Devices**.

REPORT:

The event was organized by the IT Association between 17th August 2022 and 26th August 2022 at SM Shetty College. 157 students participated in the activity and 75 students presented their IOT topics in the classroom. Asst. Prof. Mithilesh Chauhan supervised the sessions. The students were very happy to give a presentation and they also got some confidence. Few real life examples and the importance of IoT were also discussed.

Few Glimpses.
